Dear Mr. Scott,

On behalf of the children at New Hope Learning Center, I would like to thank you and your firm for the generous gift of PC Kidz computer lessons to 12 of our students. As you well know, children in poverty do not have access to luxury items like computers. By providing these lessons to our students, they will be able to enter public school with a confidence and knowledge equal or above their peers.

Again, thank you very much for caring for and supporting the children of this community!

Sincerely,

Janet R. Page
